Finding Information on Eligible Post-Secondary Institutions

For information or to find lists of Post-Secondary Institutions, please visit:

- <http://www.canlearn.ca/eng/onlinetools/index.shtml> (this is the master list of designated education institutions)
- http://www.aved.gov.bc.ca/find_an_institution/welcome.htm
- <http://www.pctia.bc.ca/listings>

Important note: the presence of an institution on a list (e.g. CanLearn) does not automatically imply that the program of study offered is eligible. A program must meet the eligibility requirements below to be an Eligible Program.

Post-secondary institutions designated for Canada Student Loans purposes are considered Eligible Post-Secondary Institutions.

Public post-secondary institutions are considered to be recognized by the provincial Ministry of Education.

Private post-secondary institutions may be considered as Eligible Institutions (e.g. if they are registered with the provincial registration agency – in British Columbia, this is the Private Career Training Institutions Agency (PCTIA)). Consult the Master List to ensure institute is designated.
